## Take Care of Your Heart Through Reading & Friendship

Many women's lives are filled to the brim leaving us feeling exhausted, overwhelmed, and disconnected from the ones we love. We get it! We've been there. Although we want to read good books, life is full! However, the desire to read isn't enough. We need a plan. Join thousands of women who are experiencing success with Well-Read Mom. Our resources make it easy to participate. Well-Read Mom curates an annual reading list to help us dig deep into our lives. We provide the resources to make reading accessible, enjoyable, and meaningful. Let us help you take care of your heart through reading and friendship.
